

Reducing Supply Chain Costs While Enhancing Quality Performance

ONE DAY WORKSHOP

\$ 59 ONLY !

JANUARY 13, 2015

In the competitive global market, general thought is that the quality suffers by cutting costs, however **Mark Hehl** thinks the other way. We can still reduce Supply Chain Costs while enhancing Quality performance.

Key Highlights

Bring your whole team to this one day knowledge sharing workshop with hands-on Case Studies for only \$59 per person.

Certificate of Participation.

Panel Expert: Mark Hehl,
Senior Consultant, Solutions4Business Consulting
